

CERF EYE CLINIC at Animal Eye Care

Held Twice Yearly in May and November

Call 360-676-7770 for the Date of Our Next Clinic!

By Pre-Registration ONLY: Closes when limit of 60 dogs is reached. Because we have had many registrants not show up for their scheduled appointment times and because we have had checks bounce, all fees must now be prepaid in full, in U.S. funds. Here are our CERF Clinic rules:

1. Please call us to schedule an appointment time. Payments can no longer be made the day of the CERF Clinic. Payment is due at the time you call and schedule the appointment. Credit cards are now accepted, but we do not keep credit card numbers on file at our office. Cash is not accepted.
2. Checks are only accepted if we receive them no later than 12 business days prior to the Clinic. We will not hold the checks, but will deposit them as they are received.
3. If appointments are scheduled less than 12 business days prior to the Clinic, you must pay by credit card at the time the appointment is scheduled.
4. Please mail or fax in the registration form, to be received no later than TWO business days prior to the CERF Clinic. Please enclose a copy of your dog's AKC, CKC, or litter registration for each dog and one permanent ID number (tattoo, microchip or DNA profile number) if available. An AKC or CKC registration number is desired, but not mandatory. The dog's registered name and birth date are also needed. **Please note:** CERF requests that the CERF form lists a **tattoo, microchip or DNA profile number** identifying the dog, but this is NOT required. Your animals can also be microchipped at our Clinic (Home Again ® brand).

In consideration and respect of confidentiality for other dog owners, please refrain from asking other owners what their exam results are, and discussing your own results, while at this Clinic. The Clinic will be performed by board-certified ophthalmologist Dr. Terri McCalla and is for genetic screening only. Do not bring dogs with eye injuries or other conditions requiring treatment. Please refrain from bringing dogs in heat whenever possible. If this is unavoidable, please segregate your dog until it is ready to be examined, and then remove it immediately. Unruly or fractious animals will not be examined.

COST: **CERF examination** \$27.00 per dog **Microchipping** \$35.00 per dog
DIRECTIONS: Posted on our website at www.animaleyecare.net You can print a map!

PLEASE ARRIVE ½ HOUR PRIOR TO YOUR SCHEDULED APPOINTMENT TIME FOR EYE DROPS. If you are more than 20 minutes late, we might not be able to work you back into the schedule.

Mail or fax this form to: **Animal Eye Care; 236 36th Street; Bellingham WA 98225**
Questions?: Call (360) 676-7770. Fax (360) 676-7776. If you have multiple dogs, we can provide you with a CERF Intake Form to organize your data, or you may list dogs and information on each dog on a separate sheet of paper and attach to this form.
