

Registration Form for Animal Eye Care CERF CLINIC

Held Twice Yearly in May and November

NOTE OUR NEW ADDRESS AS OF JANUARY 2011

By Pre-Registration ONLY: Closes when limit of 60 dogs is reached. Because we have had many registrants not show up for their scheduled appointment times and because we have had checks bounce, all fees must now be prepaid in full, in U.S. funds. Here are our CERF Clinic rules:

1. Please call us to schedule an appointment time. Payment is due at the time you call and schedule the appointment. Credit cards are accepted, but we do not keep credit card numbers on file at our office. Cash is not accepted.
2. Checks are only accepted if we receive them no later than 12 business days prior to the Clinic. We will not hold your check, but will deposit it as it is received.
3. If your appointment is scheduled less than 12 business days prior to the Clinic, you must pay by credit card at the time the appointment is scheduled.
4. Please mail or fax in the registration form, to be received no later than TWO business days prior to the CERF Clinic. Please enclose a copy of your dog's AKC, CKC, or litter registration for each dog and one permanent ID number (microchip, tattoo, or DNA profile number) if available. An AKC or CKC registration number is desired, but not mandatory. The dog's registered name and birth date are needed. **Please note:** CERF requests that the CERF form lists a **microchip, tattoo or DNA profile number** identifying the dog, but this is not mandatory. Your dogs can also be microchipped at our Clinic if you wish (Home Again ® brand).

In consideration and respect of confidentiality while at this Clinic, please refrain from asking other owners what their exam results are, and discussing your own results. The Clinic is performed by board-certified ophthalmologist Dr. Terri McCalla and is for genetic screening only. Do NOT bring dogs with eye injuries or other conditions requiring treatment. **Please refrain from bringing dogs in heat whenever possible.** If this is unavoidable, please segregate your dog until it is ready to be examined, and then remove it immediately. **Unruly or fractious animals will NOT be examined.** NOTE: In accordance with current CERF guidelines, all dogs will be scanned for the presence of a microchip, and the chip number (if a chip is present) verified on the CERF form.

COST: CERF examination \$30.00 per dog Microchipping \$40.00 per dog

DIRECTIONS: Posted on our website at www.animaleyecare.net You can print a map! Our NEW office is immediately west of Sehome Village Shopping Center (where our old office was located).

PLEASE ARRIVE ½ HOUR PRIOR TO YOUR SCHEDULED APPOINTMENT TIME FOR EYE DROPS. If you are more than 20 minutes late, we will not be able to work you back into the schedule and the fee is not refundable.

Mail or fax this form to: Animal Eye Care; 405 32nd St, Suite 103; Bellingham WA 98225

FAX: (360) 676-7776.

Questions?: Call (360) 676-7770.

If you have multiple dogs, you may list additional dogs and information for each dog on a separate sheet of paper and include with this form.
